Credit Crunching Websites!

id Digital Media recognise that cost is a major consideration when marketing and promotional campaigns are considered. To combat the **credit crunch**, we have developed special packages for businesses and organisations of all sizes to utilise the potential untapped market-place of the internet.

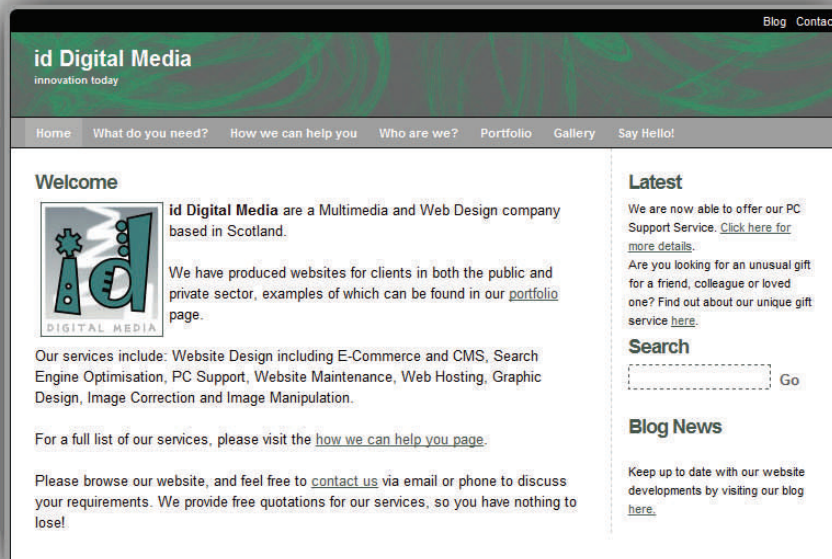

We are able to offer **recession busting prices** by spreading the cost of your investment over a **12 month** period, payable by direct debit.

Prices start from £45 per month, including **hosting, website design and quarterly updates**.

So why not get in touch to see how we can help you maximise your advertising and marketing budgets.

What's included

- .co.uk Domain Name registration
- UK based Hosting
- 3 to 5 page website
- Submission to major search engines
- Contact form for visitors to get in touch
